

Glass doors are **very** hard

```
...> .sf-sub-indicator {  
...ent .cart-menu .cart-icon-wr  
...der-outer.transparent header#top  
...nav .sf-menu > li.current_page  
...nav .sf-menu > li.current-menu  
...nav > ul > li > a:hover > .sf-sub  
...nav ul #search-btn a:hover span,#  
...nav .sf-menu > li.current-menu-it  
...hover .icon-salient-cart,.ascend  
...!important;color:#ffffff!impor  
...parent header#top nav>ul>li.but
```

APIs + SDKs are **harder**
